MATRIX

Magnum Seated Calf

Maximize calf recruitment and comfort with our Magnum Seated Calf. A comfortably curved and angled foot pad optimizes biomechanics, and a quick-release bar catch simplifies operation. The knee pads easily adjust for tibia length and range of motion, while the seat moves with the input arm to maintain alignment.

- Seat moves with input arm to maintain alignment
- Knee pads adjust for tibia length and range of motion
- Curved and angled foot pad improves comfort and calf recruitment
- Quick-release bar catch simplifies operation
