MATRIX

Magnum Seated Row

Our Magnum Seated Row is designed to maximize strength in the muscles of the back and shoulders. Diverging independent arms provide a natural path of motion, while dual grip positions offer greater training variety. Two different foot positions and an easily adjustable ratcheting seat accommodate a wide variety of user heights. Weight storage horn provides ample room for plates.

- Dual-grip positions offer greater training variety
- Two different foot positions accommodate a greater variety of user heights
- Ratcheting seat for easy adjustment
- Integrated weight-storage horn
- Diverging independent arms provide a natural path of motion
