MATRIX

# Versa Converging Chest Press

Make building and toning major chest muscles efficient and comfortable for virtually anyone with our Versa Converging Chest Press station. It's specifically designed for easy entry and exit, and an adjustable start position helps all the different people you serve find the right range of motion. It includes independent converging movement for a path of motion that's both natural and comfortable.

- Independent converging movement provides a natural path of motion
- Designed for easy entry and exit
- Adjustable start position facilitates increased range of motion
