MATRIX

Versa Leg Extension / Leg Curl

Help your users tone and refine the muscles of their legs with the smart design of our Versa Leg Extension/ Leg Curl dual station. Clearly indicated, conveniently located adjustment points make use intuitive and provide users with a hard stop to help prevent injury. Dual-action CAM enables a smooth transition between exercises. Back pad ratchets forward for easy adjustment from the seated position. Angled pads and ideal pivot location promote full muscle contraction and alignment.

- Clearly indicated adjustments for ease of use
- Adjustments are easily performed in the seated position
- Dual-action CAM enables a smooth transition between exercises
- Back pad ratchets forward for easy adjustment from the seated position
