Versa Leg Press / Calf Press

The versatile design of our Versa Leg Press / Calf Press station makes building and toning major leg muscles more efficient and comfortable than ever. A low step-over height and an assistance handle offer easy access for virtually anyone. One-handed adjustments make getting started quick, while an air-shock assisted foot platform makes every adjustment smooth. Additionally, the footplate includes unique visual indicators to help optimize foot placement.

- One-handed start adjustment for ease of use
- Air shock assisted foot platform provides smoother adjustments
- Assistance handle and low step over height for easy access
- Footplate identifies user foot position with unique visual indicators
