MATRIX

Versa MD Leg Press

The Versa MD Leg Press features a carriage lockout and gas-assisted foot platform, allowing individuals to quickly and easily change or restrict the range of motion to prevent overextension. Integration of band hooks increases exercise variation and training style by introducing elastic resistance to progression programs.

FRAME & CABLES	
AVAILABLE FRAME COLOR	Iced Silver, Matte Black, Gloss Black, Lace White, Polarized Titanium
AVAILABLE UPHOLSTERY COLOR	Black, American Beauty Red
FRAME FINISH	Proprietary two-coat powder process
