MATRIX

Versa Multi Press

Our Versa Multi-Press station makes building and toning major upper-body muscles accessible, efficient and comfortable, including flat, incline, and shoulder press movements. It's specifically designed for easy entry and exit, and the dual-position grips provide excellent training variety. It includes clearly indicated adjustment points for easy use, a reclined position to maximize lumbar support and elevated footrests for superior stability and comfort during heavy lifts.

- Clearly indicated adjustments for ease of use
- Smoothly transition between exercises with one simple adjustment
- Reclined position offers greater lumbar support
- Elevated foot rests provide stability and comfort during heavy lifts
- Dual-position hand grips allow for greater training variety
- Designed for easy entry and exit
