VITALITY™ STRENGTH SELECTORIZED

Leg Extension

VSL005BP

The Vitality™ Strength Selectorized line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centers. New contemporary styling allows you to enhance the Vitality Strength Selectorized training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Selectorized.

The Vitality Leg Extension features multiple, adjustable start positions for workout flexibility and a self-aligning ankle pad for comfort and convenience. Ratcheting adjustable back pad allows easy alignment of knee to pivot, for sound biomechanics. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the work load.

VITALITY™ STRENGTH SELECTORIZED

Leg Extension

VSL005BP

Product Features

SEAT ANGLE

The seat is set at the optimal angle to ensure exercisers can fully extend their legs and get a complete contraction of the leg muscles.

ADJUSTABLE START POSITION

The start position is designed to fit all exercisers and can be easily adjusted.

ENSURES PROPER ALIGNMENT

The adjustable back pad allows for proper knee-pivot alignment to reduce sheer force on the knee joint.

HELPFUL GUIDANCE

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
