VITALITY™ STRENGTH SELECTORIZED

Inner / Outer Thigh

VSL008BP

The Vitality™ Strength Selectorized line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centers. New contemporary styling allows you to enhance the Vitality Strength Selectorized training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Selectorized.

The Vitality Inner / Outer Thigh features an easy-to-adjust start position for both inner and outer thigh exercises. The pivoting thigh pads are angled for comfort during workouts. Dual foot pegs accommodate a wide range of exercisers. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the work load.

VITALITY™ STRENGTH SELECTORIZED

Inner / Outer Thigh

VSL008BP

Product Features

ADJUSTABLE START POSITION

The start position is designed to fit all exercisers and can be easily adjusted.

TWO EXERCISES, ONE MACHINE

With only a simple adjustment to the center peg, the exerciser can easily switch between movements for the inner and outer thigh.

DUAL FOOT PEGS

Exercisers can choose from foot pegs placed at multiple distances to ensure a comfortable fit.

HELPFUL GUIDANCE

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
